Call for Papers

The Digest Editors are calling for papers to be included in the EXPO Edition of the Digest. The theme for this EXPO is the **Devonian**. Papers dealing with Devonian fossils, localities, or stratigraphy would be appreciated. The papers should be in Word,

Times New Roman, size 12 Font, single spaced, with one inch margins and e-mailed to one of the Digest Editors by the 1st of February 2013.

Chris: CDCozart@aol.com

EXPO Auction Information

A live auction will be held on Saturday evening of EXPO, following a brief business meeting and awards presentation. Also, during show hours, a silent auction will be held to shorten the live auction. As part of your table fees, you are **encouraged** to donate a correctly labeled, quality fossil(s) or fossil-related item(s) to the Auction. Information to include with the specimen is as follows:

- Brief description and common name, species information, location, and time period.
- A minimum guide to the value of your donation would be something equal to your table fee. In other words, if you have one table, the donation should have a minimum value of \$30; two tables, \$60; and so on.

Preference on future table assignments will be given to those who make a donation to the auction as suggested above.

Most proceeds from the auction go to the Paleontological Society Scholarship Fund. As an interesting note, a number of Auction donations are made by individuals who do not have tables, or who are unable to attend EXPO or the Auction.

The many generous donations in preceding years have allowed us to contribute approximately \$3500 for each of the past several years. 2007's auction brought about \$5100 with the addition of a dinosaur-hunting trip. Our primary support goes to the Paleontological Society for scholarships and the Strimple fund, with additional support to the Paleontological Research Institute (PRI), and the Repository at the University of Iowa, which hosts MAPS board meetings. With continued membership support, we hope to continue the trend.

Dinosaur Dig to be Sold at Live Auction

Paleo Prospectors is donating a dinosaur dig trip for the live auction Saturday evening. The dig is for 1 week in June or July of 2014 (choice of approximately three different weeks). Possible digs may be in North Dakota, South Dakota or Wyoming.

You will be able to keep almost everything that you find (up to a maximum of \$4,000.00). Only individual bones valued at over \$1,500.00 and articulated bones are excluded. In all cases, however, if you cannot keep your find, you will receive a finder's fee of three percent after the final sale of the object. In most cases

each participant finds several hundred bone fragments, ten or so mostly complete bones and an occasional tooth and claw.

The minimum bid has yet to be determined. If you are not able to attend Expo but would like to bid on the trip, proxy bids can be sent to MAPS EXPO chair Tom Williams, Paleotom234@comcast.net; (815) 223-9638. Payment may be made in 4 installments. For more information on Palo Prospectors digs, check their website: <http://www.paleoprospectors.com>.

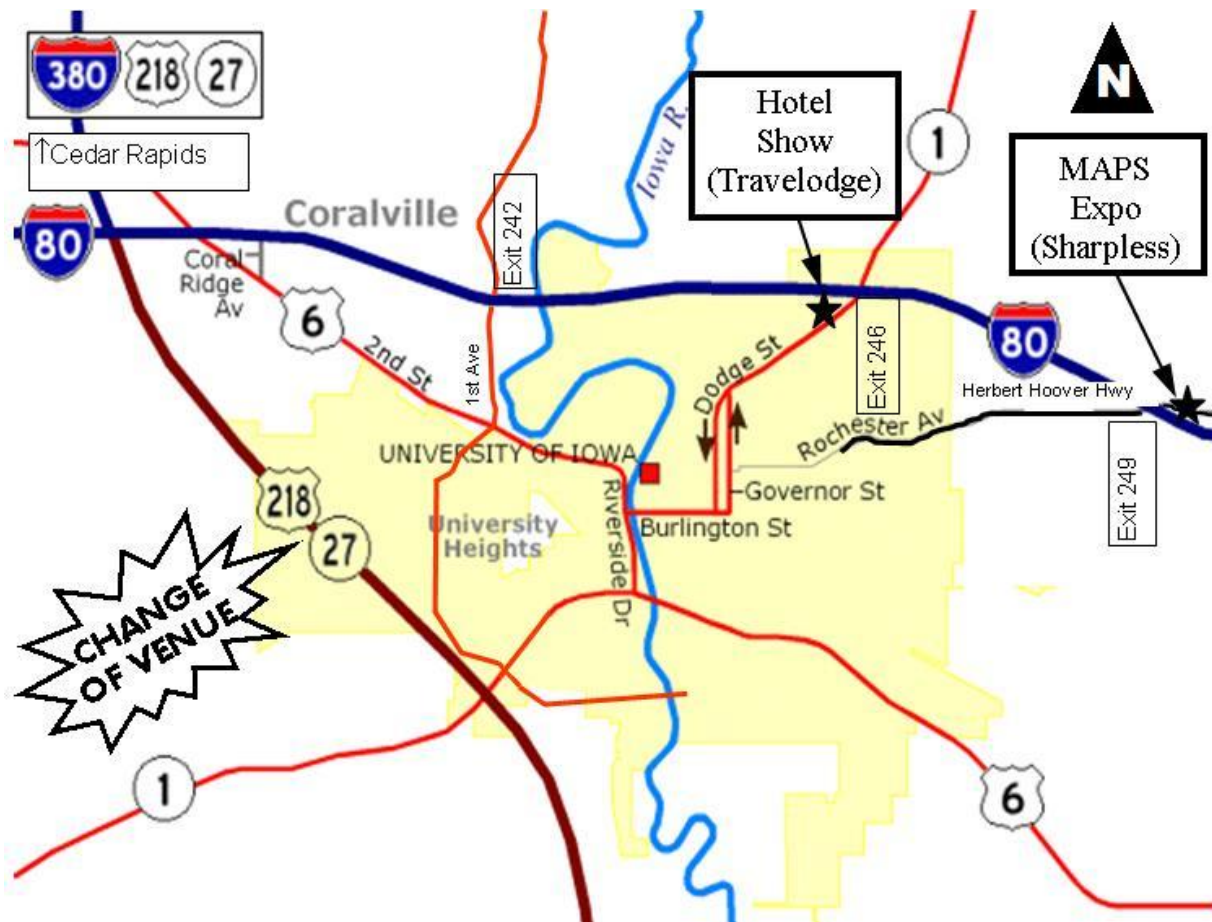

A Letter from the MAPS Board to the MAPS Membership

Due to several factors, not the least of which was the closing of the Days Inn, the Board was forced to take the radical step of moving the site of the 2013 MAPS EXPO from Macomb to the Iowa City/Coralville area. Although technically MAPS has essentially nothing to do with the Hotel Show (aka Pre-Show), we were sensitive to those that display at the Hotel Show and attempted to find a new site in Macomb. That search proved futile--all hotels/motels were filled to capacity due to other events occurring at Western Illinois University on the same weekend as EXPO. A frantic search then ensued to find a completely new venue that could serve our purpose. In addition, the Board felt that it was essential, as a courtesy to all dealers, to also attempt to find a new venue for the Hotel Show. The Hotel Show has always served as a source of non-fossil, as well as fossil, material to those in attendance. Additionally, many of the dealers at the pre-show also set up on the main EXPO floor. Through the years, a truly symbiotic relationship has developed between the two shows.

The Board is happy to announce that venues for both shows have been found. The MAPS EXPO Show will be held April 5-7, 2013, at Sharpless Auction facility just north of I-80 at Exit 249 on Herbert Hoover Hwy. The Pre-Show will occupy the Travelodge located about ¼ mi south of I-80 at Exit 246 on North Dodge Street about 3 mi from Sharpless Auctions. Both venues are located in Iowa City, Iowa. More information on both shows appears below.

Respectfully, The MAPS Board.

AUCTIONS: Saturday evening, a **live auction** will follow a short business meeting and awards presentation beginning at 5:15 pm. **Silent auctions** will be held Friday afternoon and Saturday. Proceeds from the auctions go to paleontology scholarships. Each dealer is encouraged to contribute a specimen(s) equal to or greater than the cost of the tables he/she has rented. Include full data and the name of the fossil donor. Specimens can be left at the information desk.

Everyone that plans to stay at the Travelodge will need to make their own reservations. When doing so, mention that you are with the “MAPS FOSSIL SHOW” to insure the very special rates given to us. The number of the Travelodge is (319) 351-1010 and their e-mail is gmtlicia@gmail.com. The Hotel Show begins when the first dealers set up--usually Tuesday of EXPO week. **These rates will be available until March 20, 2013.**

ROOMS: There are two types of rooms available at the Travelodge: single King Bed and two Double Beds.

DEALERS: Those selling at the Hotel Show should request room(s) on the first floor for easier access when unloading materials. Rooms along the outer edge open to the parking lot; rooms on the inside open to an open courtyard.

NON-DEALERS: Those not selling should, as a courtesy to the dealers, request room(s) on the second floor. Of course, for those with special needs, first floor rooms would be appropriate (there are five (5) special needs rooms available on the first floor of the Travelodge).

LOCAL ATTRACTIONS

Among the attractions located in the Iowa City/Coralville area are the Devonian Fossil Gorge and the University of Iowa Museum of Natural History. The Devonian Fossil Gorge can be reached by exiting I-80 at Exit 244 (North Dubuque Street) and traveling north 2.6 miles then east 1.3 miles on West Overlook Road to Coralville Dam. The Natural History Museum is located on the University of Iowa campus in Macbride Hall at the corner of North Clinton Street and East Jefferson Street, Iowa City, Iowa. **See MAPS website for motels and restaurants in the Iowa City/Coralville area.**
