ALL ROADS LEAD TO SPRINGFIELD AND THE WORLD'S LARGEST FOSSIL-ONLY SHOW--EXPO XLII

A LOVE OF FOSSILS BRINGS US TOGETHER

****Call for Papers****

The theme for the **2021 EXPO** is the **Ordovician II**. Any paper dealing with fossils, stratigraphy, or site-specific paleontology of the Ordovician Period would be appreciated. The papers should be in Word, Times New Roman, size 12 Font, single spaced with one inch margins, and e-mailed to one of the Digest

Editors. Diagrams/Photos can be sent separately or imbedded in text. **The EXPO Digest is now set with no room for additional papers. The editors thank all of the authors who answered the Call for Papers in a timely manner.**

EXPO Auction Information

A live auction will be held on Saturday evening of EXPO, following a brief business meeting. Also, during show hours, silent auctions will be held. As part of your table fees, you are **encouraged** to donate a correctly labeled, quality fossil(s) or fossil-related item(s) to the Auctions. Information to include with the specimen is as follows:

- Brief description and common name, species information, location, and time period.
- A minimum guide to the value of your donation would be something equal to your table fee: if you have one table, the donation should have a minimum value of \$30; two tables, \$60; etc.

Preference on future table assignments will be given to those who make a donation to the auction as suggested above.

Most proceeds from the auctions go to the Paleontological Society Scholarship Fund and the Strimple Fund, with additional support to the Paleontological Research Institute (PRI) and the Repository at the University of Iowa, which hosts MAPS board meetings. With continued membership support, we hope to continue the trend.

As an interesting note, a number of Auction donations are made by individuals who do not have tables, or who are unable to attend EXPO or the Auction.

Dinosaur Dig to be Sold at Live Auction (Tentative)

Paleo Prospectors is donating a dinosaur dig trip for the live auction Saturday evening. The dig is for 1 week in June or July of 2022 or 2023 (choice of approximately three different weeks). Possible digs may be in North Dakota, South Dakota or Wyoming.

You will be able to keep almost everything that you find (up to a maximum of \$4,000.00). Only individual bones valued at over \$1,500.00 and articulated bones are excluded. In all cases, however, if you cannot keep your find, you will receive a finder's fee of three percent after the final sale of the object. In most cases

each participant finds several hundred bone fragments, ten or so mostly complete bones and an occasional tooth and claw.

The minimum bid has yet to be determined. If you are not able to attend Expo but would like to bid on the trip, proxy bids can be sent to MAPS EXPO chair Tom Williams, paleotom234@comcast.net; (815) 228-5083. Payment may be made in 4 installments. For more information on Palo Prospectors digs, check their website: <http://www.paleoprospectors.com>.
